The credit will appear on your bill within the time of the above bill period. Your provider may deduct your compensation from the cost of the bill or higher value, less the amount of the compensation. If your provider does not pay compensation, you will simply have to report the fault to your provider.

If you have an unpaid bill, your services may be restricted. You can quickly get your services back up and running again by making a payment in My Account or by calling our automated payment line on 0345 172 0040. Charges apply if you aren't calling from a TalkTalk landline. For other ways to pay, take a look at payment methods and paying your broadband accessories to improve your Wi-Fi experience. From broadband extenders to smart hubs & whole home Wi-Fi browse the BT home accessories range now.
